Work Day

Wow! Check out what a little elbow grease can do. Thanks to all that came out and participated in the workday!

If we don't get better participation at Club Work Parties, the Board may be faced with one of two options: increase dues to cover the additional cost of paying contractors to perform these tasks, or charge an annual service fee to those members who do not help with work parties. Please contact **Frank McFadden** for more information on the tasks remaining.

Open House

If you weren't there, you missed a great time. Hot dogs, chips, drinks and plenty of desserts! A wonderful time was had by all...swimming, diving and tennis. It was a beautiful day with a perfect breeze topped off with an evening Movie Night!
