It takes full parent participation to have a successful swim season. Oakwood has always been known for their incredible parents! The following list consists of service positions which need to be filled for each swim meet. The positions will be rotated among all our parents this summer, so no one will get burned out in any one position. (You will be trained in any area with which you are unfamiliar). Each week you will be emailed an assignment sheet for the upcoming swim meet. The assignment sheet will also be posted on our bulletin board. If you cannot serve in your assigned position, it will be your responsibility to call another parent and arrange for a substitute. (Every parent will have a list of swimmers/parents/contact numbers for the swim team) Thank you for your cheerful service this summer - this will pave the way for a fantastic summer for our children.
